I got a call from Gary King yesterday afternoon as a follow-up to Tuesday's meeting with IEPA. Gary said he had an opportunity to discuss the overall approach which was developed at the meeting with Renee Cipriano. Renee was supportive of the overall approach. Gary is going to proceed to make arrangements for a PRP meeting on 8/20/02 followed by a public meeting on 9/4/02.

Renee asked Gary to issue a press release announcing the PRP meeting on 8/20/02. After thinking about this, Gary now feels that this may not be tactically a good idea as the PRPs may feel blind-sided going into the meeting. I told Gary I agreed with his assessment. He said he will go back to Renee and see if she will defer this request.
